

### SMILING IRISHMAN

What better salute to St. Patrick's Day than to adorn our folder with the smiling Irish countenance of genial Phil Page. Phil claims to be the only genuine, 100 per cent Mick on the KDWB deejay staff. We tried to trace his ancestry back to the Emerald Isle but could only go as far as his great-grandfather Seamus O'Page who died at the end of a rope in Piute, Kansas. Something to do with other people's horses turning up in his corral.
