This compilation of 630 records was determined by the listeners of KDWB, the Big 630 in the Twin Cities. Methods used to obtain these Big 630 All-Time Hits were by mail and telephone response. Final judgment made by the KDWB Music Committee.

The big 630 records compiled for this special souvenir edition cover the past two decades of our lives. Another part of our young lives is Pepsi. You keep hearing the phrase "join the Pepsi generation" and why not? Pepsi is your drink. No syrupy sweet drink for you. That went out with spats and the hupmobile. Today's Pepsi generation is the "in" crowd . . . action seekers . . . the sports car league. As the 630 records represent our times, so it is with Pepsi. The older generation had its drink . . . yours is Pepsi. So, come alive with the 630 records which represent your lifetime as does Pepsi. It's clean and alive with a lot of swing to every swig. Got the message? Then say "Pepsi, please". Two of the most exciting words in your vocabulary. Enjoy Pepsi as you enjoy the big 630 records . . . and swing!
