LISTEN GOOD . . by Johnny Canton

We had an opportunity to M.C. The Lettermen concert Friday, Nov. 19th, at the Minneapolis Armory. They are simply great !!! And, their latest hit, "Love", is enjoying a meteoric rise to the top of the charts. It's a song written by John Lennon, and Jim Pike does an excellent job leading the vocal. They were telling me later this is what they plan to do more of in the future. It's a good idea to spotlight the separate members of the group because each one has an exceptional voice and can handle most any song. Pictured with me and my spouse, Sandra, on the front of the Listen List are Jim and Gary Pike and Tony Butala - The Lettermen!

We are happy to report our Clothes For Kids Campaign in behalf of the Minneapolis Jaycees raised approximately \$1,500.00; enough to give many underprivileged Minneapolis children something more to be thankful for this year. Our sincere thanks to all of you who contributed to his worthwhile effort !!!

That's about it for this week. Thanks for listening!
