

the first R

is Reading, the basic educational skill.

FACT: The national average reading speed is 250 words a minute. But most college students, business and professional people must read 500 to 1000 words a minute just to keep up.

BENEFIT: Evelyn Wood Reading Dynamics will at least triple your reading speed, with equal or better comprehension. It's guaranteed.

To learn more about this remarkable course, attend one of the FREE Evelyn Wood Reading Dynamics ORIENTATION LESSONS listed below. You'll leave a better reader.
