LISTEN GOOD by Michael

WHAT A DARLING THREE YEAR OLD I WAS !!! A typical farm boy proudly holding his pup as the cat watches jealously. The thoughts of the country, tranquil thoughts indeed.

MUSIC: Such a summer for great music! The hit's just keep comin', REALLY! Not only is the music choice but so many new people are makin' the music. Carol King, Cymarron, Jean Knight, Olivia Newton-John, Dramatics, Audience, etc. . . etc. So much music and 'DGY has it all!

TRIVIA: Dig on the lyrics in the Paul Stookey, "WEDDING SONG". W O W, finally thoughts about marriage that really relate. The new Barbra Streisand, "WHERE YOU LEAD" was written by Carol King, AND my personal FAV-RITE is: WHATCHA SEE IS WHATCHA GET . . . it's TREACHEROUS!

Look out worlds, I'm takin' off for two weeks!

ANSWER TO EXCITING QUESTION:
IF HE DOES WHAT HE CAN WITH WHAT HE HAS!

Love,

Michael
