## LISTEN GOOD . . . . by Jimmy Reed

THANKS TO YOU . . . 7 - midnight . . . #1 is WDGY. More people listen to 'DGY 7 - 12 p.m. than any other Twin Cities' radio station\*.

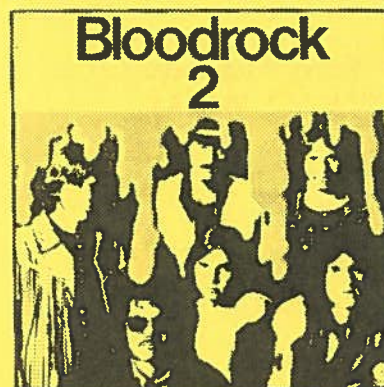

The coming months, on the 1130, you'll be doing a lot of different and exciting things to get everybody together. I'm going to be on a couple all-night graduation parties after I get off the air at midnight. Can't tell you which ones, 'cuz the party planners want to keep it a secret.

TIMES ARE A-CHANGIN' . . . First Church of God, McAllen, Texas, offers each person attending services 120 trading stamps . . . huh . . . Three years ago they kicked you out of school for long hair . . . huh . . . There's a water-bed conversion kit that turns any old clammy water-bed into a warm sleepable one.

THINGS TO COME . . . WDGY Weekends just keep on coming with something different every weekend. Shawn Phillips has two albums that are out and right-on; and I think he should surpass Elton John and James Taylor.

\*According to Metropolitan Area Pulse Survey, Jan. Feb. March 1971.

*Love,  
Jimmy Reed*
