

"DID IT IN A MINUTE" by HALL & OATES

When you find yourself alone  
And when going out is coming home  
You rely on "the kid"  
Cause there's nobody waiting around  
If you're not an easy mark  
It's a shot in the dark  
That hits the heart  
I know when it's coming  
(I thought so anyway)  
Some things stay the same, and  
Some are due for change  
I thought I had them all nailed down  
But you turned 'em around  
You did you did it, you did it  
You did it in a minute  
It didn't take long.

Well I still can't say I know  
When a love is real or touch and go  
And if two can be one  
Who is the one two becomes  
Am I quick enough to see  
When I'm ready and it's right for me  
I say that I want it (I think so anyway)  
Everybody always laughs at love  
But what they want is to be proven wrong  
Then you came along and I did it  
You did it you did it  
You did it in a minute.
