Busy!

we asked Twin Cities **U100** listeners to
call us on the weekend of October 18, 1974
...and were we busy!

OVER **400,000**

busy signals and
telephone calls in
45 hours to the new ...

Northwestern Bell says we had a telephone backup problem! We asked the Twin Cities to call and vote for their favorite record in our Boogie Battle Weekend Friday-Sunday (aired over 45 hours). We knocked out telephone exchanges and brought N.W. Bell into a state of turmoil. Nice problems! That's the kind of response we're developing. We're the new Rocker to Reckon with!

Call us for the U 100 Story ...
if you can get through!
