

# Take Me Out To The Ballgame

At WCCO Radio, we're talking Twins baseball day and night. For starters there's "Twins Today" one hour before the game and the "Twins Magazine Show" one-half hour before the game. Then, Herb Carneal and John Gordon team up to bring you play-by-play coverage of the Twins, followed by the "Twins Post-game Report." And when you want to hear the word straight from the manager's mouth, there's "The Tom Kelly Show" Sundays at 11am on "Sid Hartman and Friends." So get yourself a radio tuned to WCCO AM 8•3•0 and you've got a season ticket to Twins baseball – free.
