SUPER HIT SING ALONG SONG

● **I CAN'T HELP MYSELF**

(As recorded by The Four Tops/
Motown)

B. HOLLAND

L. DOZIER

E. HOLLAND

Sugar pie, honey bunch

You know that I love you

I can't help myself

I love you and nobody else

In and out of my life you come and
you go

Leaving just your picture behind

And I kissed it a thousand times

When you snap your fingers or wink
your eye

I come a runnin' to you

I'm tied to your apron strings

And there's nothing that I can do

I can't help myself you know

I can't help myself

'Cause sugar pie, honey bunch

I'm weaker than a man should be

I can't help myself

I'm a fool in love with you

Wanna tell you I don't love you

Tell you that we're through

And I'm tired

But everytime I see your face I get all
choked up inside

When I call your name, girl

It starts the flame burning in my heart

Tears it all apart

No matter how I try

I know I can not hide

I should try but you know that I'm
weak for you

I can't help myself

I love you, you and nobody else

Sugar pie, honey bunch

Do anything you ask me to

I can't help myself

I want you and nobody else

Sugar pie, honey bunch

You know that I love you

I can't help myself, no

I can't help myself.
